Նստարանի համարը

Հարգելի՛ դիմորդ

Խորհուրդ ենք տալիս առաջադրանքները կատարել ըստ հերթականության: Ուշադիր կարդացե՛ք յուրաքանչյուր առաջադրանք և պատասխանների առաջարկվող տարբերակները: Եթե Ձեզ չի հաջողվում որևէ առաջադրանքի անմիջապես պատասխանել, ժամանակը խնայելու նպատակով կարող եք այն բաց թողնել և դրան անդրադառնալ ավելի ուշ:

Ձեր առջև դրված թեստ-գրքույկի էջերի դատարկ մասերը Դուք ազատորեն կարող եք օգտագործել սևագրության համար: **Թեստ-գրքույկը չի ստուգվում: Ստուգվում է միայն պատասխանների ձևաթուղթը:**

Առաջադրանքները կատարելուց հետո չմոռանաք պատասխանները ուշադիր և խնամքով նշել պատասխանների ձևաթղթում: Պատասխանների ձևաթղթի ճիշտ լրացումից է կախված Ձեր քննական միավորը:

Ցանկանում ենք հաջողություն:

I. Կարդալ տեքստը և պատասխանել հարցերին՝ ընտրելով ճիշտ տարբերակը:
Read the text and answer the questions choosing the right answer.

Line number

1. Reading is essential for education, it serves as the foundation upon which all other learning
2. is built. From early childhood through adulthood, the ability to read not only makes academic
3. success easier but also opens doors to personal growth and fulfillment. Let's explore the
4. critical role that reading plays in education and its profound impact on individuals and societies.
5. First of all, reading is key to gaining knowledge. Whether it's understanding a textbook,
6. researching a topic online, or enjoying literature from different cultures, reading is the main way
7. information is shared in educational settings. Being good at reading allows students to access
8. many resources and viewpoints, helping **them** to understand the world better and form their
9. own opinions.
10. Additionally, reading is important for developing critical thinking skills. When students read,
11. they are challenged to analyze information, evaluate arguments, and draw conclusions based on
12. evidence. This process not only strengthens their minds but also promotes intellectual
13. independence. By questioning and thinking deeply about what they read, students become
14. active learners instead of just passive receivers of knowledge.
15. Reading also improves language and communication skills. By reading different texts,
16. students learn new vocabulary and grammar, which helps them express themselves clearly in
17. both writing and speaking. Furthermore, reading exposes them to various writing styles and
18. genres, enhancing their ability to communicate effectively.
19. Beyond academic benefits, reading helps people understand and care about others and
20. different cultures. Through literature, students experience different perspectives, lives and
21. voices from around the world. By stepping into the shoes of characters from various
22. backgrounds, they develop kindness and compassion, promoting a sense of global citizenship
23. and connectedness.
24. In conclusion, reading is more than just a skill to be mastered; it is a lifelong journey of
25. discovery. By **encouraging** a love of reading and critical engagement with texts, educators help
26. students become lifelong learners, critical thinkers and caring individuals. In a world that
27. is increasingly complex and interconnected, the ability to read and understand written
28. information is more important than ever, making literacy education vital for academic success
29. and personal growth.
