### Հարգելի՛ դիմորդ

Խորհուրդ ենք տալիս առաջադրանքները կատարել ըստ հերթականության: Ուշադիր կարդացե՛ք յուրաքանչյուր առաջադրանք և պատասխանների առաջարկվող տարբերակները: Եթե Ձեզ չի հաջողվում որևէ առաջադրանքի անմիջապես պատասխանել, ժամանակը խնայելու նպատակով կարող եք այն բաց թողնել և դրան անդրադառնալ ավելի ուշ:

Ձեր առջև դրված թեստ-գրքույկի էջերի դատարկ մասերը Դուք ազատորեն կարող եք օգտագործել սևագրության համար: **Թեստ-գրքույկը չի ստուգվում: Ստուգվում է միայն պատասխանների ձևաթուղթը:**

Առաջադրանքները կատարելուց հետո չնոռանաք պատասխանները ուշադիր և խնամքով նշել պատասխանների ձևաթղթում: Պատասխանների ձևաթղթի ճիշտ լրացումից է կախված Ձեր քննական միավորը:

Ցանկանում ենք հաջողություն:

1. Reading is very important for education. It is the base for all other learning. From young  
2. children to adults, the ability to read makes school easier and opens doors to personal growth  
3. and happiness. Let's look at how important reading is in education and how it affects people  
4. and society.
5. First, reading is essential for gaining knowledge. Whether it's reading a textbook,  
6. researching online, or enjoying stories from different cultures, reading is the main way to get  
7. information in schools. Being good at reading helps students access many resources and  
8. opinions, which helps them understand the world better and form their own ideas.
9. Second, reading helps develop critical thinking skills. When students read, they need to  
10. analyze information, **evaluate** arguments, and make conclusions based on evidence. This  
11. process makes their minds stronger and promotes independent thinking. By questioning and  
12. thinking deeply about what they read, students become active learners, not just passive  
13. receivers of information.
14. Reading also improves language and communication skills. By reading different texts,  
15. students learn new words and grammar, which helps them express themselves clearly in  
16. writing and speaking. Also, reading different writing styles and genres improves their ability  
17. to communicate effectively.
18. Beyond academic benefits, reading helps people understand and care about others and  
19. different cultures. Through stories, students experience different perspectives and voices from  
20. around the world. By seeing life through the eyes of characters from various backgrounds,  
21. **they** develop kindness and compassion, promoting a sense of global citizenship and  
22. connection.
23. In conclusion, reading is more than just a skill to learn; it is a lifelong journey of discovery.  
24. By encouraging a love of reading and critical engagement with texts, teachers help students  
25. become lifelong learners, critical thinkers, and caring individuals. In a world that is becoming  
26. more complex and connected, the ability to read and understand written information is more  
27. important than ever, making literacy education vital for both academic success and personal  
28. growth.
